Providing children with a taste of what it's like to own their own horse/pony in a safe and fun environment. This course is geared to give children the best possible horse/pony experience.

# Adopt-a-pony school holiday programme

Enrolments are now open for the April Adopt-a-Pony School Holiday Programme. There are 2 courses available: Bounce and Nereo. These programmes are suitable for beginner and novice riders to experience the basics of horse care and riding.

The programmes are based in the Riding School which is situated on the beautiful Pukete Farm Park. The children will enjoy riding in the indoor sand arena and hacking over the Farm Park while exploring the facilities next to the scenic Waikato River.

It is great fun and a real confidence boost. We offer a positive environment for learning where the children will form new friendships with other riders, the instructors and the horses!

Your child is very well looked after at all times. Our staff are trained in basic first aid practice and every precaution is taken to keep everyone well and happy.

## What can you expect?

Adopt-A-Pony is a must-do if you have children who are interested in horses and their care. Children have a full on experience with fun instructors and complete activities such as:

- Catching the horse/pony and leading is to the covered yard area
- Brushing and horse/pony care
- Put on a saddle and bridle with supervision
- Riding in small groups doing a mixture of riding in an arena, farm riding, games, a treasure hunt and even a ribbon day.
- Caring for the horse/pony after riding
- Leading the horse/pony back to its paddock
- A basic introduction to paddock care and skills.

You have the option of bringing your own horse/pony\* or using one of ours. We will match you with a suitable horse/pony depending on your size and ability. All equipment (tack) will be supplied (including helmets).

All participants must wear sturdy footwear (preferably with a heel), sun hat or rain coat, bring their own lunches, drinks and sun screen.

We have a ratio of approximately one helper/instructor for two students.

\*Please give us a ring to discuss.
