

RIDING AT WEC – UPDATED 1 SEPTEMBER 2024

Effective immediately, the following applies for both financial members and Registered Casual Members:

Please note that yards are now compulsory at all times - there is no tying to trucks or floats at all.

Please read this in its entirety and ensure you follow each step carefully. Any missed/incorrect step may result in your membership/booking not being approved and further action taken via the Disciplinary Policy as stated below.

There are 5 steps:

Membership

Pre-booking and paying prior

Check where you can/can't ride

Texting in/out

Notifying falls etc

1. Membership. Everyone who rides @ WEC must have a membership (this does not apply if you only ride at competitions). This can be either a full riding membership, a summer financial membership or a Casual membership ***Please see item 2b below re casual riding fees. You join on EvoEvents via this link: <https://evoevents.co.nz/joinClub> . The cost for casual membership is \$0, but the \$30 per horse applies as per item 2b below. YOU MUST SELECT CLASS 12 - REGISTERED CASUAL MEMBERSHIP.

Casual members are required to be a member for a minimum of 24 hours prior to the first time they use the property. Membership only needs to be done once per membership year. You will receive an email confirming your membership is active - you are not allowed to ride @ WEC unless this has been received. These requirements are not negotiable.

2. Pre-booking and paying.

a. Financial Members - no pre-booking requirement.

b. Registered Casual Members - You are to book your ride using the WEC Casual Members Schooling for MONTH on evoevents.co.nz (there will be an event loaded for each month). Payment is required at the time by Polipay. \$30 per horse, plus \$5 yard.

Monday-Friday - Bookings must be done prior to 6pm the day before you wish to come (i.e. by 6pm Monday to come Tuesday etc)

Saturday, Sunday and Public Holidays - bookings must be done prior to 6pm on the Friday before.

If you cannot select a particular day, this means that either the day has closed or the day has a prior booking and is not available for casual riding.

3. Prior to coming to WEC, please check the Areas Currently Open page on the website. It changes frequently with where the horses are grazing and if any areas are shut for other reasons. You cannot ride in any areas that are closed.

4. Upon arrival on site: you text in when you arrive and out when you leave (027 499 5055).

5. Other rules. All other rules relating to falls, incidents, breakages remain the same.
Unwell/sickness - If you or anyone who is coming with you are feeling unwell or have any symptoms whatsoever, however mild, we request that you do not come onto site.

These rules have been put in place to ensure the safety of everyone on site. Any breaches will result in disciplinary action. The Disciplinary Policy can be found on our website using this link:
<https://horses.net.nz/index.php/rulesandpolicies/>.

Any person/s found to not have followed the above protocols will be requested to leave immediately and further action may be taken via the Disciplinary Policy as stated above. There may also be fines imposed of up to \$500 which will be automatically lodged with Baycorp.

If you have any questions, please let me know.
